**If you have been volunteering over time, you will notice that the number of gardens has reduced. The 6<sup>th</sup> Grade Academy was closed due to the reduction of CCSD funding. After 4-5 years of working with both Murray LaSaine and Mt Zion Elementary Schools, they are now sustainable school gardens and the Children's Garden Project will work with them on a consult basis. Look for specific emails regarding these schools during the Fall semester. We shall gather volunteers together at these schools to give them an extra boost; join us if you can. The CACGP will add another school garden in January.**

**NOTE: Rain Days: If you have doubt due to weather, please call Darlena @478-3748. Try to let me know that you are coming: [dgoodwi@clermson.edu](mailto:dgoodwi@clermson.edu), but not necessary. You will receive emails regarding cancellations or special requests for event help and/or for additional help in the gardens. The garden schedule follows the school calendar and will break for Winter Holiday on December 19<sup>th</sup>.**
